Really?

Scene starts with two people just sitting at a table. PAT looks very serious and just stares at JOE while occasionally sipping his/her coffee. JOE looks stunned. He/she spends the next minute or so shaking their head, looking exasperated, trying to find the words, starting to speak and then stopping, putting their hands over their face and not believing what is happening here. Wide range of emotions. Over this minute, this actor should go through an emotional journey while the other sits stone-faced. Then...

JOE: Really?!

PAT: No.
